Quiz - $i^6, V^6, vii^0^6 (i, V, V^7)$

Complete for 4 voices. Label each chord with its function.

This 2nd measure must use an appropriate combination of V, V6, and V7.

These last two measures must use an authentic cadence using the appropriate combination of i, V, and V7.

Clue: Every measure, except the last, should contain a 'voice exchange.'
